# BACK *in* *the* DAY

**Remember when you were little and you walked past this long brick wall,  
wondering what would lie behind it?**

**Imagine there would be a small, blue wooden door in the wall, that could be opened only with a large key. Hinges would squeak as the door opened and revealed a beautiful garden, filled with wonderfully scented flowers in all colors, singing birds and a small grass patch on which you could lie down, look at the sky above, that would be filled with butterflies, and dream away.**

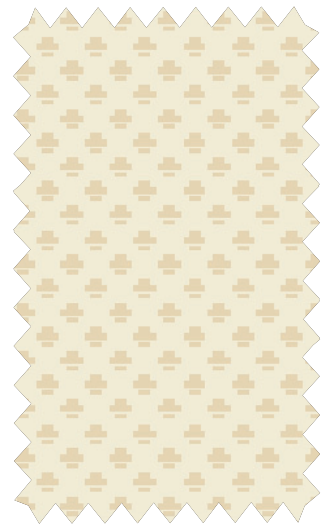

**This little girl's dream was the inspiration behind the "Back in the Day" collection. Lovely soft, yet fresh yellows, pinks, reds, greens and blues along with 4 gorgeous creams that could serve either as a background basic, or that could show off their design in strips and fuzzy cuttings.**

**Dream away with me and create beautiful quilts, bags, decoration and so much more with the "Back in the Day" collection.**
