

Sands of Time

Sands of Time

Join us on a seaside escape with our new fabric collection “Sands of Time”.

Born in Zeeland (a coastal province in the Netherlands), I’ve always felt strongly connected to the sea. And even though I don’t eat fish and I prefer to stay on the shore instead of plunging into the blue water, a coastal collection was just waiting to be born!

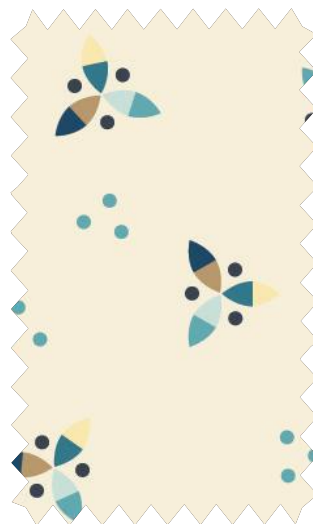

Sweet seagulls, happy little sailboats and whimsical whales steal the show not only in the main fabric, but also in the patterns that we’ve lovingly created for you, like the Block of the Month pattern “Beside The Seaside” and the sailboat, seagul and whale pillows.

“Sands of Time” is perfect for patchwork projects, (beach) bags, cute pincushions, coastal ornaments, dressmaking, soft pillows and so much more!
